The People of Colour (POC) Staff group invites you to join us.

Support others... Take risks... Build self-image.... Action to achieve goals.... Emphasise strength

Informational luncheon on campus on 13/10/2021 from 12-1:30pm. Come along to hear about who we are, socialize, and hear about our goals/aims

Aims for this year:

- Development of a mentoring programme for students of colour
- Work with the university on developing conversations on race and its intersections,
- Address workload issues for Equality, Diversity, and Inclusion work, social events, representations of race and ethnicity on campus
- Invite prominent speakers on issues of race and its intersections to campus.

We look forward to reconnecting with old faces and meeting new ones.
